

Curriculum Vitae, September 2024

Brandon J. Vogt

Associate Professor
Department of Geography and Environmental Studies
University of Colorado Colorado Springs
1420 Austin Bluffs Parkway
Colorado Springs, Colorado 80918

bvogt@uccs.edu

EDUCATION

PhD, 2007, Arizona State University, School of Geographical Sciences
MA, 2000, Arizona State University, School of Geographical Sciences
BS, 1992, University of Missouri - Columbia, School of Natural Resources

AREAS OF SPECIALIZATION

Geomorphology, mountain meteorology, geomorphometry, and the scholarship of teaching and learning with foci on high-impact educational practices and undergraduate research

ACADEMIC POSITIONS

Associate Professor, July 2016 - present. UCCS, Department of Geography and Environmental Studies
Graduate Director, July 2019 - June 2023. UCCS, Department of Geography and Environmental Studies
Assistant Professor, Aug. 2009 - June 2016. UCCS, Department of Geography and Environmental Studies
Lecturer, Aug. 2007 - May 2009. UCCS, Department of Geography and Environmental Studies
Visiting Assistant Professor, Aug. 2004 - May 2005. Texas State Univ. San Marcos, Department of Geography

EARLIER PROFESSIONAL EXPERIENCE

Webmaster, 1999 - 2009. The Arizona Solar Center, Inc., Tempe, AZ
Meteorological Technician, 1999. National Weather Service, Phoenix, AZ
Physical Science Technician, 1997. US Geological Survey, Global Change/Climate History Team, Denver, CO
Recycling / Facilities, 1992-1996. National Center for Atmospheric Research (NCAR), Boulder, CO
Wilderness Ranger, 1992. US Forest Service, Rio Grande National Forest Peaks Ranger District, Creede, CO

COURSES TAUGHT AT UCCS

Taught each year in regular rotation, in-person

Environmental Systems: Landforms & Soils (GES 1010) (online version created & taught during Covid)

Sonic Landscapes (GES 3410, VAPA 3900, MUS 4960) co-taught with *Glen Whitehead* (online version created & taught during Covid)

Principles of Geomorphology (GES 4310/5310 & GEOL 4630/5630) (online version created & taught during Covid)

Snowpack Assessment, Silverton, CO (winterim) (GES 4460/5170)

Taught each year in regular rotation, both online and in-person

Practical Meteorology (GES 3200) (online version created during Covid)

Taught one time, in-person

Mountain Weather & Microclimate (GES 4700) - Spring, 2022 (new course)

Periglacial Landscapes, Ouray, CO (GES 4460/5170) - Fall Pre-Term, 2024 (new course)

Courses no longer taught

Digital Earth (GES 2050) (codeveloped with Paddington Hodza)

Introduction to Geographic Information Systems (GES 4050/5050)

Introduction to Remote Sensing (GES 4060/5060)

Image Processing (GES 4090/5090)

Geography Summit (GES 4900)

UCCS Pre-Collegiate Development Program version of *Environmental Systems: Landforms & Soils* (GES 1010)

UCCS Freshman First Year Experience Program version of *Environmental Systems: Landforms & Soils* (GES 1010)

COURSES TAUGHT EARLY IN CAREER AS INSTRUCTOR OF RECORD AT OTHER INSTITUTIONS

Texas State University - San Marcos, Department of Geography
Fundamentals of Geographic Information Science (GEO 2426)

Arizona State University, School of Geographical Sciences
Introduction to Geographic Information Systems (GPH 373/598)
